# 2013 Campus Innovator Award

## 2013 Innovators

By Meg Lloyd, David Raths, and Kanoe Namahoe

**CONGRATULATIONS TO** our 2013 Campus Technology Innovators! Out of a total of 235 entries, nine honorees rose to the top in six categories: Education Futurists; Teaching and Learning; IT Infrastructure and Systems; Student Systems and Services; Leadership, Governance, and Policy; and Administrative Systems. These IT leaders have found innovative ways to tackle tech challenges large and small, and really make a difference on their campuses. Worthy of recognition, too, are the vendors and products that help make these projects a reality.

Our thanks to the members of our Innovators Judging Committee (see "Meet the Judges," page 45), as well as all who submitted
