Transfer of Power

Authority and Conformity

Transfer of Power

Role of authority in social development

Ways in which society imposes authority

Type of Authority	Negative Authority	Positive Authority
Physical	Physical punishment, exile	Rights of inclusion, protection
Emotional	Ostracism, subordinate status	Acceptance, prestige
Mental	Indifference, scepticism	Recognition, respect

Transfer of Power

Conformity in the individual

Transfer of Power

Role of Conformity

Beyond a point, rigid conformity stifles growth
