

# Challenges and Opportunities

Janani Ramanathan

Associate Fellow, World Academy of Art and Science

Research Associate, Mother's Service Society

Individual Accomplishment, Growth & the Character of Life  
in Management, History, Literature, and Psychology

## Challenges and Opportunities

# Opportunities that arise from Challenges

Challenges and Opportunities

# Challenges Change Attitudes

**Michael Blumenthal**

## Challenges and Opportunities

# New situations break resistances

## Challenges and Opportunities

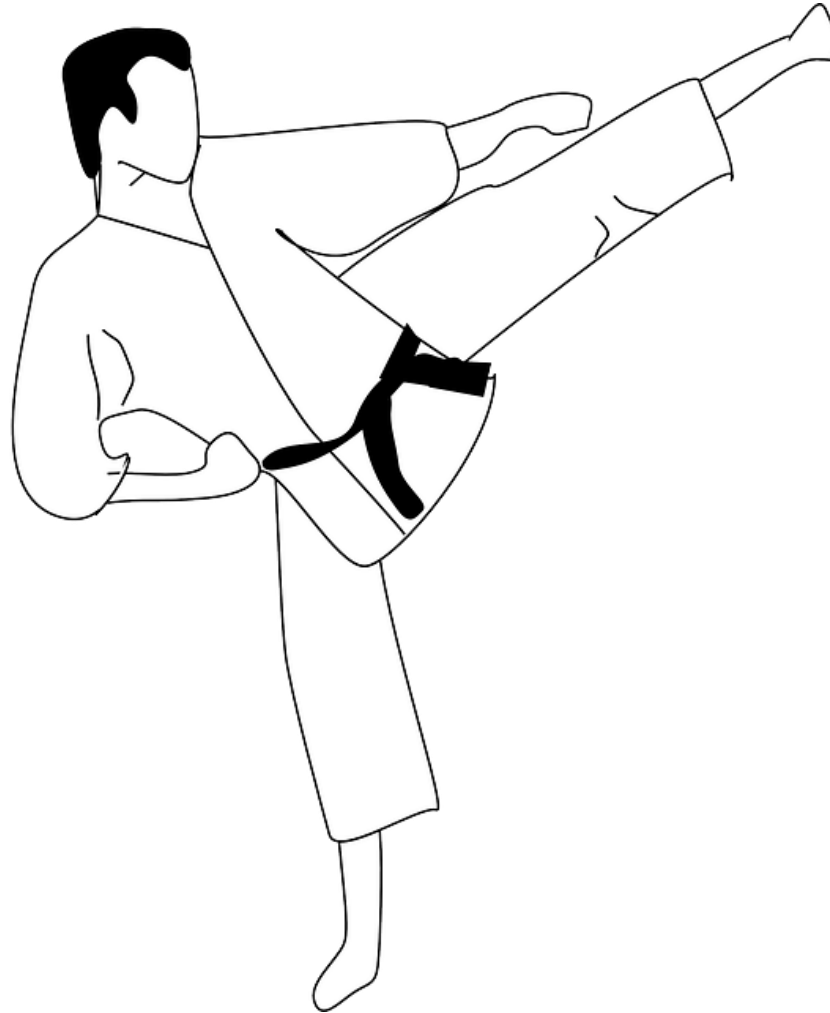

What differentiates those who tide over a crisis  
° from those who succumb to it?

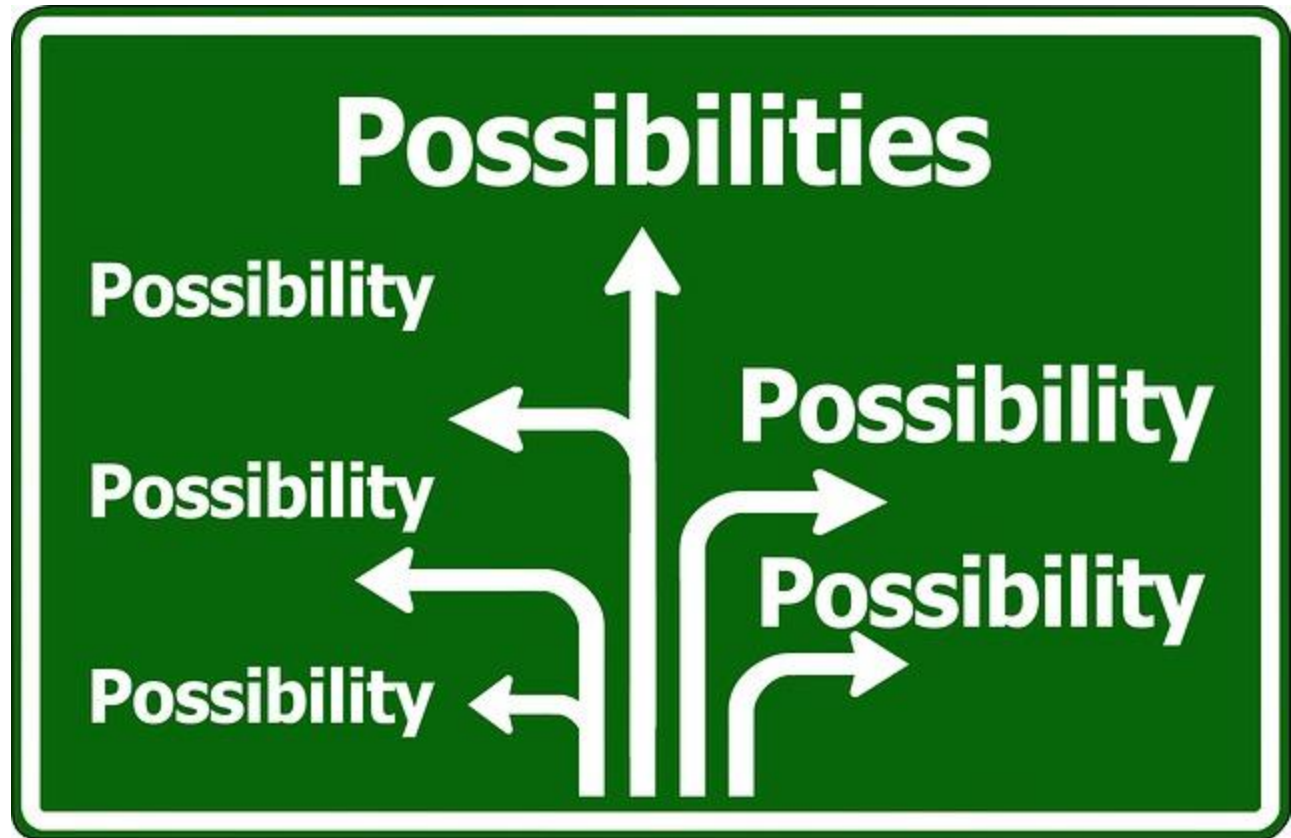

Challenges and Opportunities

# Redirect the Energy

## Challenges and Opportunities

Look out for the Opportunity

## Challenges and Opportunities

# Learn from Mistakes

Challenges and Opportunities

Think Creatively and Adapt

## Challenges and Opportunities

Often, it is the greatest challenges that lead to the greatest human achievements

Our response determines the results

What is the difference between challenges and opportunities?

Is it possible that all challenges have concealed opportunities behind them?
