Ghost writing

Principal drafter of two academic articles that were published in the name of Nelson Mandela: One on South Africa's future foreign policy appeared in *Foreign Affairs* (72, 5) and the other in a collection entitled *The Post War World: Views of the World's Power Elite* issued by Oxford University Press, New York. Versions of the latter were variously published in the international media.

Drafted an article entitled "*South Africa in Africa: a South African Perspective*" which was published in the name of Kader Asmal (former South African Minister of Education) published in a collection edited by Adebayo Adedeji for the African Centre for Development and Strategic Studies by Zed Press, London.
