EVALUATION AS SUPPORT FOR QUALITY IMPROVEMENT IN EDUCATION

Is it possible to have quality of Education without Evaluation?

EVALUATION AS SUPPORT FOR QUALITY IMPROVEMENT IN EDUCATION

First of all Evaluation shouldn't
be confused with measure.

EVALUATION AS SUPPORT FOR QUALITY IMPROVEMENT IN EDUCATION

What kind of Evaluation we will deal with in this presentation?

EVALUATION AS SUPPORT FOR QUALITY IMPROVEMENT IN EDUCATION

Schools and teachers of Basic Education mainly use test to evaluate student learning.

EVALUATION AS SUPPORT FOR QUALITY IMPROVEMENT IN EDUCATION

The challenge today is create an evaluation system that well be able to identify the competencies and skills defined in the new curriculum guidelines of National Common Curricular (BNCC).

EVALUATION AS SUPPORT FOR QUALITY IMPROVEMENT IN EDUCATION

The main objective is to evaluate the integral formation of the student in its physical cognitive and socio-emotional aspects.

EVALUATION AS SUPPORT FOR QUALITY IMPROVEMENT IN EDUCATION

In BNCC, the teacher should organize the contents, methodologies and forms of evaluation through technical and practical activities, oral and written test, seminars, online projects and activities, authorship problem solving and innovative learning projects.
